GRAND

Grand preserva a origem dos materiais em que se inspirou para criar uma nova contemporaneidade composta por três soluções. A simplicidade do **Concrete**, com nuances cromáticas; a elegância do **Revestimento**, com relevos subtis e formas geométricas; e a solidez do **Stone** na qual sobressai toda a expressão de uma textura feita de múltiplos grãos de areia. As três soluções conjugam-se num jogo harmonioso em que cada elemento comunica e combina com o outro sem perder a sua individualidade. Assim é a série **Grand**.

Grand é uma coleção para pavimento, revestimento e decoração, interior e exterior. Aquilo a que se chama um universo... uno na sua multiplicidade. O resultado é toda a vida de um espaço irrepetível numa geometria criativa que faz da coleção um clássico contemporâneo: sóbria, elegante e intemporal.

GRAND

Grand keeps the origin of the materials that served as inspiration to create a new contemporaneity formed by three solutions. The simplicity of **Concrete** with chromatic nuances; the elegance of the **Wall tiles**, with subtle reliefs and geometric shapes; and the sturdiness of **Stone** that highlights the expression of a texture made of multiple grains of sand. These three solutions combine into a harmonious game where each element communicates and blends with each other without losing their individuality. And this is the essence of the **Grand** series.

Grand is an indoor and outdoor flooring, tiling, and décor collection. What one could call a universe... unified in its multitude. The result is a live, unique space with creative geometry that makes this collection a contemporary classic: sober, elegant, and timeless.

GRAND CONCRETE

Grand préserve l'origine des matériaux dont elle s'est inspirée pour créer une nouvelle contemporanéité composée de trois solutions. La simplicité du **Béton**, avec des nuances chromatiques ; l'élégance du **Revêtement**, avec des reliefs subtils et des formes géométriques ; et la solidité du **Stone** qui souligne toute l'expression d'une texture faite de multiples grains de sable. Les trois solutions se rejoignent dans un ensemble harmonieux dans lequel chaque élément communique avec l'autre et le rejoint, sans perdre son individualité. Telle est la série **Grand**.

Grand est une collection de sols, de revêtements et de décorations, intérieurs et extérieurs. C'est ce qu'on appelle un univers... uni dans sa multiplicité. Le résultat est toute la vie d'un espace irremplaçable dans une géométrie créative qui fait de cette collection un classique contemporain : sobre, élégant et intemporel.

GRAND STONE

Grand bewahrt die ursprünglichen Eigenschaften der Materialien, der diese Serie ihre Inspiration verdankt, um eine neue Modernität zu erschaffen, die aus drei Elementen besteht. Die Schlichtheit von **Concrete** mit farblichen Nuancen, die Eleganz der **Wandfliese** mit feinem Relief und geometrischen Formen, und die Solidität von **Stone** mit der charakteristischen Maserung von Sandkörnern. Diese drei Lösungen interagieren harmonisch, ohne ihre individuelle Eigenschaften einzubüßen. Das ist die Fliesenserie **Grand**.

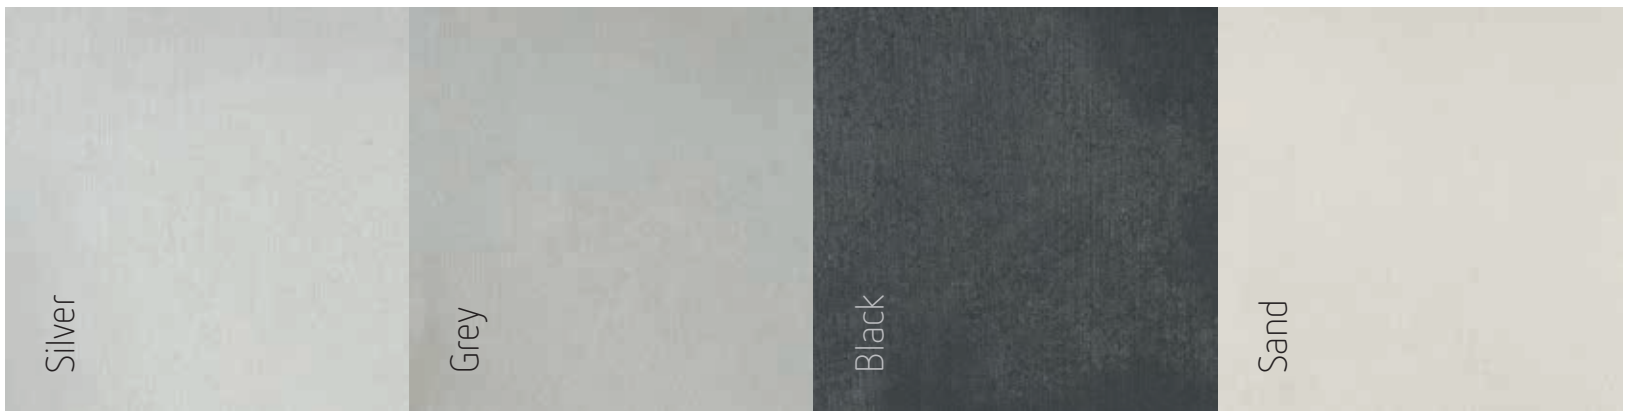

Grand ist eine Kollektion für Bodenbeläge, Wandverkleidungen und Dekoration im Innen- und Außenbereich. Das, was man ein Universum nennt: Einheit in Vielfaltigkeit. Das Resultat sind unnachahmliche Räume, deren schöpferische Geometrie und Lebendigkeit diese Serie zu einem zeitgenössischen Klassiker macht: nüchtern, elegant und zeitlos.
